Dear Parents,

On the onset of COVID-19, NHPS reiterates its commitment to fight against this Pandemic with the united support from students, teachers and parents. As called for, the lockdown is being observed in its letter and spirit but teachers of our school are working harder and longer to nullify the loss of academics of our students by taking teaching learning process to a higher platform of technology. The students are involved in their academic pursuits by online class interactions, worksheets and assignments. In order to cater to the academic needs of students in senior classes, synopses and notes have been uploaded on the school website [www.noidapublicschool.com](http://www.noidapublicschool.com) Students are getting familiar with the digital learning and teachers have also started handling the digital classes with ease. Parents, your support to students and teachers in adapting to these new ways is worth appreciable.

NHPS ensures that our students are provided with uninterrupted online learning regardless of how long this lockdown lasts and the success of the online learning module is only due to the hard work put in by our sincere teachers. For this, it is important that they are paid their salaries in time since they too have their families to take care. Hence, it is requested that **one month** School Fee due for the month of March 2020 (if not paid so far) /for the month of April 2020 (those who have paid for March 2020) may please be remitted at the earliest enabling us to disburse salary to our staff and teachers.

It is important to share with all our worthy parents that there is no increase in the Fees in the new Academic Year (2020-21) and fee as per previous year (2019-20) has to be deposited as per the directions from the Govt. of Uttar Pradesh (*Ref. Letter No.756/15-7-2020-1(20)/2020 dated 27.04.2020 of Principal Secretary, Govt. of Uttar Pradesh*). A copy of the same is attached herewith.
