## **GENERAL INSTRUCTIONS AND SAFETY MEASURES FOR COVID**

To ensure the safety of the students coming to school to ensure a healthy learning environment it is the responsibility of all members of the school community to follow the safety norms.

While the school fraternity will be briefing students regularly and ensuring the safety of the students in the school, parents should also get familiar with these safety measures and ensure that their ward complies with the same.

**Thank you for your cooperation!**

### **GENERAL INSTRUCTIONS**

- Students should come to school in school uniform (either sports or formal uniform) on all days.
- Face mask should be worn at all times.
- Every student should carry a hand sanitizer and tissue paper/ handkerchief.
- All desks and chairs will be sanitized each day in school, however, for extra safety students may also sanitize their desks and chairs each day on arrival.
- Every student should bring his / her water bottle.

In case of computer lab, equipment will be sanitized by the student after use.

**In case a student is unwell or having symptoms of viral fever, he/she should only come to school when cured. Prior intimation regarding this should be given to the class teacher.**

### **WHILE USING SCHOOL TRANSPORT**
