WINTER ASSIGNMENT

Holiday Homework

Fun activities to continue learning through the holiday break!

Winter break is a great time for students to take a break from their academic routine and engage in activities that can help them relax, recharge, and prepare for the upcoming semester. Here are some ideas for students to make the most of their winter break:

1. **Read:** Winter break is the perfect time to rekindle your love for reading. You can visit your local bookstore or library and pick up a new book or read some interesting books at home.
2. **Exercise:** Exercise daily to keep yourself healthy and fit.
3. **Sleep:** Winter break not only gives you time to make up for missed sleep but also provides a chance to improve your sleep hygiene.
4. **Explore:** You could try out new hobbies or rediscover old ones. You could also volunteer at a local charity or participate in community service activities.

Enjoy winter break!
